

## Response to Request for Information

Reference      FOI 003312  
Date            4 March 2019

### ***Freedom of Information Requests***

#### **Request:**

I would like to request the following:

1. How many Freedom of Information requests were made of Wolverhampton City Council in the most recent five calendar years on record (figures for each year required)?

	<b>2015-2016</b>	<b>2016-2017</b>	<b>2017-2018</b>	<b>2018-2019</b>
<b>FOI received</b>	<b>1155</b>	<b>1086</b>	<b>1144</b>	<b>921</b>

2. Where do these requests come from? (e.g. how many are from newspapers, freelance journalists, businesses etc.)  
Your request for information has now been considered and the City of Wolverhampton Council is not obliged to supply the information you requested for the reasons set out below.

Section 17 of the Freedom of Information Act 2000 requires City of Wolverhampton Council, when refusing to provide such information (because the information is exempt) to provide you, the applicant with a notice which:

- (a) states the fact,
- (b) specifies the exemption in question and
- (c) states (if that would not otherwise be apparent) why the exemption applies:

In relation to your particular request, the following exemption applies:

#### **Section 12 - Exemption where cost of compliance exceeds appropriate limit**

We can confirm that the Council holds information falling within the description specified in your request. However, Section 12 of the Freedom of Information Act 2000 allows a public authority to refuse a request if the cost of providing the information to the applicant would exceed the 'appropriate limit' as defined by the Freedom of Information.

The Regulations provide that the appropriate limit to be applied to requests received by local authorities is £450 (equivalent to 18 hours of work). In estimating the cost of complying with a request for information, an authority can only take into account any reasonable costs incurred in:

- (a) *Determining whether it holds the information,*
  - (b) *Locating the information, or a document which may contain the information,*
  - (c) *Retrieving the information, or a document which may contain the information,*
- and*
- (d) *Extracting the information from a document containing it.*

*For the purposes of the estimate the costs of performing these activities should be estimated at a rate of £25 per hour.*

The information appertaining to your request is not easily accessible and as such this information is not held as a distinct set able to be retrieved or reported on. To get the information would require a full scale look into all individual FOI records as listed in the table above. This would be a manual exercise and as such we believe that the aggregated time it would take to collate the information would be in excess of 18 hours (equivalent to a notional cost of £450).

3. How much did the Freedom of Information requests cost in each of the above years- is there a published report I could be sent a link to?  
Following reasonable enquiries, it has been established that the Council does not hold the above requested information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Freedom of Information Act 2000 ("The Act"), that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".
