### ***Wheelie Bin Fines***

#### **Request:**

Please could you provide me with the total number of fixed penalty wheelie bin fines issued for all residential property types in 2018, as per your local authority.

[Nil return](#)

If possible could you please break down the number of fines per the reasons as cited on the Gov.uk website:

- causes an obstruction to neighbours, such as forcing people using wheelchairs or buggies to walk on the road
- restricts access to the pavement or street, for example leaving waste receptacles (bins or bags) out for several days
- is likely to attract vermin like foxes and rats, such as leaving bags or open receptacles out days before a waste collection
- is unsightly (torn bags or overturned receptacles are left out)
