

Response to Request for Information

Reference FOI 003448
Date 8 April 2019

Gas Appliances

Request:

Below is detailed the information we are requesting – while it may not be available in such depth, any data that can be provided will be of great assistance.

We are seeking a list or database of installed gas appliances, categorised into groups such as:

Heating

Boilers - condensing/non-condensing, wet central heating systems

Water Heaters - instantaneous, continuous, storage water heaters

Dry (Warm Air) Convection Systems – direct/indirect air heaters

Radiant Heaters – luminous (plaque) and non-luminous (tube)

Catering

Ovens – deck ovens, pizza ovens, rack ovens

Steamers & Combi Ovens – combi-steam ovens, atmospheric steamers

Hobs & Grills – hobs, grills, griddles, barbecues, salamander grills, rotisserie grills

Water & Oil Heaters – fryers, pasta/noodle boilers, bratt pans

For each appliance, it would be useful to know the output rating, in either kW or BTU/hr.

We are also looking to know the sector in which each appliance is found, for example:

Arts, Leisure & Community – clubs & community centres, leisure centres, museums, places of worship, theatres

Education – nurseries, state primary schools, state secondary schools

Emergency Services – fire & ambulance stations, law courts, police stations, prisons

Health – health centres, hospitals, nursing homes

Hospitality – cafes, restaurants, hotels

Military – military civilian accommodation, military offices, military storage

Offices – public office buildings

Storage – cold stores, stores, warehouses

We wish to obtain as recent data as is possible – ideally from 2018 or 2019. However, any data from proceeding years which could present market trends would also be favourable.

In response to your above questions please find below our response:

Arts, Leisure and Community

Ovens – 5

Hobs and Grills – 1

Education

Ovens – 73

Steamers and Combi Ovens – 31

With reference to the output rating for the above, Section 1 of the Freedom of Information Act 2000 places two duties on public authorities. Unless exemptions apply, the first duty at:

- Section 1(1) (a) is to confirm or deny whether the information specified in a request is held.
- The second duty at Section 1(1)(b) is to disclose information that has been confirmed as being held.

In respect of this question, it has been established after careful consideration that the Council does not hold the above information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

Please see additional information provided from page 3 onwards.
