Bikeability

Bikeability is described as the 21st Century Cycling Proficiency course. It is designed to give young people confidence in cycling on the roads.

City of Wolverhampton Council's Sport & Recreation Service organise courses for 8 – 15 year olds at **Aldersley Leisure Village** in conjunction with the Traffic and Road Safety Team during school holidays.

To achieve the Bikeability award, participants will be instructed on how to ride their bikes to the Government approved National Standard for Cycle Training, which sets out the training and skills essential for making cycling trips in today's road conditions.

All trainees will receive a certificate for taking part on the course.

Bikes and helmets can be provided for courses subject to availability and storage space. Please state on the application form overleaf whether your child needs to borrow a bike and helmet.

All participants must be able to ride a bike without stabilisers. Participants that cannot ride will be sent home. Call the team to check for clarification if required.

Cancellations can be made up to 48 hours before the course starts, after that a transfer onto another course will not be possible unless in exceptional circumstances. We may need to cancel courses due to insufficient interest. In this case we will endeavour to give as much notice as possible. If we have to cancel planned courses due to adverse weather conditions we will transfer places onto the next available programme.

Bikeability Levels 1 & 2 and Leisure Ride

2 day course*, 9am-3pm each day
Ages 8 -12 years. On and off road cycle skills, confidence building for using a bike on the roads.

Bikeability Level 3 (for advanced riders)

1 day course*, 9am-3pm
Ages 12-15 (school years 7-9). Must have completed a Level 1 & 2 course and state when/where this was achieved.

* Participants should bring a packed lunch.
