The ethos of this academy is that of a Church of England comprehensive academy which exists primarily to meet the needs of Church of England parents who wish their children to be educated by a system which introduces the student to an understanding of life based on the Christian faith as taught by the Church of England. Worship is at the heart of all the academy's activities, either in the academy or at St Peter's Collegiate Church.

To the best of my knowledge and belief, the information I have provided on this form is correct. I understand that completion of this form does not guarantee a place at this academy and I must also name the academy on the Local Authority's Common Application Form.

In signing this form, I support the Church of England character of this academy.

I understand that the data given on this document and any additional sheets will be stored in a safe location in the academy until being destroyed in a secure manner.
