Short Breaks for Children and Young People

Request:

Do you commission short breaks to children and young people with life-shortening conditions between the ages of 0 and 25 (yes/no)? If yes, please state how much you will spend on this in 2015/16.

In respect of your above question, it has been established after careful consideration that the Council does not hold the above information as we do not commission this. Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

I can advise you that this information would be held by the Clinical Commissioning Group which is part of the NHS.
