Date 6 April 2016

Cashless Parking Payment

Request:

Who is your current cashless parking payment provider and who is the back office software provider (nsl/capita etc)

The provider is Cobalt Telephone Technologies the product is RINGO.

Also when does the current cashless parking payment provider expire?

September 2016.

If and when will the tender for cashless parking solutions be live?

The contract process is unknown at this time but this will be evaluated by the end of June 2016.
