

Response to Request for Information

Reference FOI 000045
Date 6 April 2016

Dangerous Wild Animals Act 1976

Request:

- Details of all current licenses issued under the Dangerous Wild Animals Act 1976 (or 2006 for Northern Ireland).
- For each licence, a list of all species and the number of individual animals covered. In each case, as much information as possible would be ideal.
- Please only include licensed private owners, rather than zoos or sanctuaries (which I do not believe are covered by the 1976 act).
- Where relevant, please distinguish between the number of animals the licence allows for (i.e. 20 wild boars) and how many are currently being kept (i.e. four currently being kept, but the licence allows for 20 for breeding purposes, for example).

[In response to your above questions, City of Wolverhampton Council can confirm that we have no registered exotic or dangerous wild animals.](#)
