

## **Response to Request for Information**

**Reference** FOI 000096 **Date** FOI 000096 27 April 2016

## **Oversubscribed Primary Phase Schools**

## Request:

Under the Freedom of Information Act 2000, please could you supply the following:

- 1. A list of *all* primary schools in your Local Authority that were oversubscribed on national offer day in 2016 (18<sup>th</sup> April). Notes:
  - Please include all schools offering primary education. For example, please include junior and middle schools if these are present in your local authority.
  - b. We define a school to be oversubscribed if and only if at least one ontime applicant was refused a place, and the applicant did not receive an offer from any higher preference school. If there were no refusals, then we do not consider the school to be oversubscribed even if it admitted up to its admission number. If you use a different definition of oversubscription, then please could you make this clear in the response.
  - c. If you are not able to provide this information for all schools, then please state which schools you do not know the oversubscription status for.
  - d. Please include either URN, DFE code, or address/postcode to allow us to identify the relevant school without ambiguity.
- 2. For each of the oversubscribed schools identified under 1 above:
  - a. The admission criterion that the last successful pupil was admitted under:
  - b. The home to school distance and unit of measurement of this last successful applicant (i.e. the cut off distance), where distance was used to prioritise this last place.

In response to your above questions please see the information provided on the next page.
