Housing Developments

Request:

Please can you tell me if any supported housing developments the council has planned over the last 5 years have been dropped because of resident objections?

Please list the date of the consultation and the type of development planned (how many units, for what type of tenant)?

Please send me either a list of the objectors' names, or if this is not possible please tell me how many objectors there were?

In response to your request we can confirm that the Council has not put forward any proposals for supported housing, therefore none have been dropped.
