**Request:**

I am conducting a research project concerning large scale redevelopments within the west midlands. Would it be possible to gain access to any key planning contacts in your councils planning department as well as a structure of the team? In addition to a list of key consultation groups who maybe concerned with such developments.

I can confirm that Wolverhampton City Council holds this information. The information you have requested is exempt under Section 21 of the Freedom of Information Act (FOIA), because the information is accessible to you, as it is already in the public domain.
