### ***School Meals Provision***

**Request:**

I have a few questions regarding the school meals provision within the council schools.

1. Is there a main contract?
2. If so, which caterer provides the main contract?
3. Are they, or have they been part of the council?
4. What is the term of the contract?
5. Which cashless system, if any, do they use in each school?
6. What percentage of FRESH produce is used in the meals?
7. What frozen produce do they use?
8. Where are the meat and veg sourced and what associated certificates do they have?
9. What price are the meals retailed at?
10. What is the price the school pay for the meals?

Following reasonable enquiries, it has been established that the Council does not hold the above requested information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Freedom of Information Act 2000 ("The Act"), that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

To advise and assist you, you need to re-direct your enquiry to the relevant schools. For ease of reference I have provided a link of all the schools in the City:
