Closed Council Tax Account – Midland Heart Ltd

Request:

I am seeking information in respect of all “closed” Council Tax accounts for the period 1st April 2006 to 31st March 2016 with a credit balance for Midland Heart Ltd (Please also check legacy operating names; Keynote, Focus, Touchstone and Urban Heart – Housing Associations).

I wish the following fields returned, preferably in Excel format via email:

- Council Tax property address
- End date on the account
- Amount of credit on the account

I am aware that the release or publication of Council Tax data is generally restricted as per the Data Protection Act 1998. However, the Data Protection Act ONLY relates to living individuals, not organisations, and as such my request does not infringe on the Data Protection Act onto which councils are bound in relation to the disclosure of Council Tax data.
