Regulation 84 Report

Request:

I am writing to you under the Freedom of Information Act 2000 to request the following information from the procurement department of Wolverhampton City Council:

The written report as required under Regulation 84 of the Public Contracts Regulations 2015 for every completed procurement exercise carried out between 26 February 2015 and 1 August 2016 for CPV codes 85000000, 98000000 and 92000000 for contracts above £50,000 in value. In particular, we are interested in the sections of these reports that give the main reasons for the decision not to subdivide contracts into lots (section 46 (2) of the PCR2015).

In answer to your above question, please find our response provided on the next page. We have provided you with a link to our Contracts Finder website which we hope you will also find useful.
