Temporarily or Permanently Expelled from School

Request:

I would like to know the number of schoolchildren who were either temporarily or permanently expelled from schools in your area for racist abuse during the 2015/16 academic year.

During 2015/16 we received 37 Fixed Period Exclusion notifications and 0 Permanent Exclusion notifications for Racist Abuse.

It is important to note that these figures are **provisional** and haven't been finalised by the DfE.
