Pension Scheme Transfers

Request:

I am seeking information the number of pension transfers from your defined benefit local government pensions scheme, conducted in the last 12 months.

Please provide details of:

- The number of requests to transfer out of the local authority pension scheme over the last 12 months for which you have data.
The number of transfer out requests received between 01/11/15 and 31/10/2016 = 1,190
- The total number of transfers out actually undertaken in that period.
The number of transfers paid between 01/11/15 and 31/10/2016 (including revised and additional) = 158
- The total value in pounds of the transfers out undertaken over the last 12 months.
The sum of transfers paid between 01/11/15 and 31/10/2016
(i.e. the 158 payments) = 13,464,175.91

Please note that the above figures refer to all West Midlands Fund members and not just City of Wolverhampton employees.
