Wolverhampton Council Employee Sick Days

Request:

I would like to request a month by month breakdown of how many Wolverhampton Council employees took sick days for any reason from November 2015 - October 2016.

Month	Staff Absent
November 2015	321
December 2015	315
January 2016	375
February 2016	372
March 2016	383
April 2016	329
May 2016	322
June 2016	322
July 2016	348
August 2016	287
September 2016	375
October 2016	428

I would specifically like to know how many employees took a sick day for any reason in January 2015.

January 2015 = 355

Please Note:

- * This information has been sourced from our sickness recording system and therefore there is the possibility that if an employee was absent through long term sickness he/she would be showing on more than one month.
- * It should also be borne in mind that the number of staff employed throughout the period would have also fluctuated.
