Reference FOI 000711
Date 16 December 2016

Mobile Telecommunications Installations

Request:

Please can you provide me a spreadsheet of the 2016/17 Annual Network Update Plans for Mobile Telecommunication installations within the boundary of your authority? I have attached a sample if this assists in locating the document.

We can confirm that the department holds information that you have asked for in relation to the above. However, we do not hold the information in the format requested as all telecom applications we have received can be viewed online and therefore are informing you that this information is exempt under section 21 of the FOI Act because it is reasonably accessible to you, and can be viewed via the following link:

Section 21(1) of the Freedom of Information Act exempts disclosure of information that is reasonably accessible by other means, and the terms of the exemption mean that we do not have to consider whether or not it would be in the public interest for you to have the information.

You can find out more about Section 21 by reading the extract from the Act, available at: <http://www.legislation.gov.uk/ukpga/2000/36/section/21>
