### ***Domiciliary Care Service***

**Request:**

Please could you let me know if you provide a service visit through your community domiciliary care service purely to assist with medication?

If yes, how many people are in receipt of this service?

If yes, please can you tell me the daily cost per person?

If yes, please can you advise who the contract manager is?

In response to your request, we can confirm that we do not have any clients that solely have medication calls.
