Street Lighting

Request:

Please can you provide me with the following information:

- How many lighting columns are planned to be replaced within the next 5 years? And how many per year? [We currently only have a budget for next year and we are expecting to replace approximately 100 columns](#)
- Who is responsible for delivering the work (and provider point of contact)? [Delivered by in-house team. Contact – A. Johnson Tel: 01902 555696](#)
- What is the name of the lead officer(s)/main contact(s) overseeing the replacement of street lighting? [Contact – A. Johnson Tel: 01902 555696](#)
- What is the current method used to replace/remove street lighting columns? [Hiab](#)
- What is the average cost of taking a lighting column down? [£90.32](#)
- What is the average cost of installing the new lighting column? [£102.50 – Complete with lantern and switchgear](#)
- What is the average cost of disconnecting and reconnecting the lighting column? [£213.04](#)
