

## Response to Request for Information

Reference      FOI 000806  
Date            23 January 2017

### ***Stopping Up Order at Salop Street/Peel Street***

**Request:**

I am looking to find out if the Stopping up order at the Junction of Salop Street and Peel Street that was in the cabinet reports of the 20/10/2015 has ever went ahead and made/confirmed. If so please advise when and provide a copy of the said order.

In response to your request we can confirm the stopping-up of this highway was never finalised on account of several utility constraints having been identified late on in the process that prohibited Western Power Distribution from moving their apparatus to that location. Another nearby site was identified which is where the substation is now located.
