Housing Benefit for the tenants of the The Solace Community

Request:

I was under the impression Wolverhampton Council paid housing benefit for the tenants of The Solace Community - direct to The Solace Community or the landlord - (for avoidance of doubt Company number 09033325) missing out the tenant completely as they are classed a vulnerable adults.

This is the data set of information I was looking for:

How much housing benefit has been paid directly to The Solace Community for and on behalf of the tenants who are registered on your systems as residing, or have previously resided there over the last two financial years?

In response to your request, we can confirm the amounts of housing benefit which have been paid to the Solace Community for the past two financial years are as follows:

For the financial year 14/15 a total of £357,183.00 was paid

For the financial year 15/16 a total of £772,317.75 was paid
