

Response to Request for Information

Reference FOI 000927
Date 1 March 2017

Sexual Violence

Request:

We would be grateful to receive all information you hold on and in relation to the following:

- (a) The number of incidents of sexual violence reported to your local authority in the last three (3) years by or on behalf of a victim/survivor of sexual violence where the act of sexual violence took place at or within the grounds of a building owned by or which was under the control of your local authority;
[None reported.](#)

- (b) The number of incidents of sexual violence reported to your local authority in the last three (3) years by or on behalf of a victim/survivor of sexual violence where the act of sexual violence was committed by a person employed by your local authority and was connected to and arose in some way as a consequence of that persons employment by your local authority;
[None reported.](#)

- (c) The number of civil actions that have been instigated against your local authority in the last three years and which have been brought as a consequence of an allegation of an act of sexual violence.
