Animal Boarding Establishments

Request:

Please would it be possible for you to send me a list of animal boarding establishments (kennels and catteries) who hold licences issued by Wolverhampton Council.

In answer to your above question, please see table provided which includes catteries and home boarding (they fall within the same permissions).

As you will see from the table, there are a number that have yet to be inspected. All the applications that are contained within the list have been received to be licenced, however cannot be granted until inspections have been carried out.
