Adult Social Care Services

Request:

In regards to the Council's Adult Social Care Services I would be grateful if you could please supply the following information:

1. How many packages of care to receive care and support at home (Domiciliary Care) did you have which you were unable to commission per week from 1st December 2016 to 28th February 2017. Please include hospital discharges, packages referred from intermediate care and community referrals.

Between the period 1 December 2016 - 28 February 2017, 323 packages of care were requested via the Personalised Support team. All packages were sourced.
