Peer on Peer Abuse in Schools Guidance

Request:

I would like to make a Freedom of Information request to Wolverhampton Council for:

- * Any policy, guidance or materials provided or used by your local authority to help schools in your area deal with cases of peer on peer abuse.
- * I am specifically interested in any policy, guidance or materials designed to give schools advice on how they should manage cases of peer on peer abuse where both the alleged abuser and victim are both pupils at the school in question.
- * However, please provide me with any policy, guidance or materials provided to schools on the general subject of peer on peer abuse.
- * If your local authority does not have any specific policy, guidance or materials relating to how schools should deal with cases of peer on peer abuse, then please indicate this.

In respect of your above questions, it has been established after careful consideration that the Council does not hold the above information. Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

I can advise you that any information would be held by individual schools.
