Date   5 April 2017

Mobile Application Development

Request:

I'd like to request the following information:

·   The amount spent on the development of mobile applications by the council
       during each of the last 3 years
       2014 & 2015 – we haven't developed any mobile apps internally or externally.
       However, we paid mobile app support for the 2 mobile apps (Wolverhampton
       Report IT & Wolverhampton City Council), totaling £23,280 for the 2 years.
       2016 - £10,070 (WV Active)

·   The number of mobile applications the council has had developed during each
       of the last 3 years
       Wolverhampton Report IT - was developed 2013
       Wolverhampton City Council - was developed 2013
       WV Active - was developed 2016

·   Who the council used to develop apps during the last 3 years - internal /
       external. If external which organization(s)?
       Wolverhampton Report IT - Blackburn IT Services Ltd
       Wolverhampton City Council - Loud Cloud Ltd
       WV Active - Innovatise UG (Bramble Framework)

The council is going through digital transformation at present. Mobile apps will be
superseded by web responsive sites.
