Adult Social Care Fee Rates

Request:

I wondered if you could provide me with the base weekly fee rates, for the following care types, for your local council?

Care Type	As at April 2016 (£)	As at April 2017 (£)
Residential	394.94	404.04
Residential Dementia	447.86	454.44
Nursing	386.72	404.04
Nursing Dementia	386.72	454.44

I would appreciate the 2016 and 2017 figures as we are looking at whether fees have changed this April (2017) compared to last year's fee rates, for each type of care.
