

Response to Request for Information

Reference FOI 001246
Date 20th June 2017

Legionnaire Disease

Request:

Would it be possible to get a breakdown of how many cases of Legionnaire's disease were reported to the Council between 2013 and the present day?

I'd like this broken down by year if this information is available (e.g. 2013, 2014, 2015, 2016, 2017 so far). If this isn't available, a total amount of cases is fine.

Following reasonable enquiries, it has been established that the Council does not hold the above requested information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Freedom of Information Act 2000 ("The Act"), that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

To advise and assist you under Section 16 of the FOIA, you need to re-direct your enquiry to the relevant public authority. We have provided the contact email/address below:
