

Response to Request for Information

Reference FOI 001278
Date 30 June 2017

Injuries, Diseases and Dangerous Occurrences

Request:

Based on the information published on the [HSE website](#), we are aware that your authority collect all of the requested information via the following RIDDOR forms from 1995 to present :

- Report of an injury
- Report of a dangerous occurrence
- Report of a case of disease

We would like to request the following information for those:

Report of an injury form

- Form ID number
- Organisation name
- Organisation Address
- Incident location
- Dates
- Incident time
- Under which local authority
- In which department did the incident happened?
- What types of work was being carried out?
- Kind of accident
- Work process involved
- Main factor involved
- Description of what happened
- Severity of the injury

Report of dangerous occurrence

- Form ID number
- Organisation name
- Organisation Address
- Incident location
- Dates
- Incident time
- Under which local authority
- Type of dangerous occurrence
- Summary description of event

Report of a case of disease

- Form ID number
- Organisation name
- Organisation Address
- Incident location
- Dates
- Incident time
- Under which local authority
- Disease category diagnosed
- Specified diagnosed disease
- Detail of the work activity that led to the disease
- Summary description of event

Under Section 1(1)(a) a public authority is required to confirm that it does not hold the information and if it has reason to believe that it is held by another public authority to assist the applicant with their request.

The information requested is held by the HSE. The HSE will be sending a collated response to the question on behalf of both the HSE and the local authority and it is of the understanding that you have been advised of this.
