Right to Buy and Universal Credit

Request:

I am requesting information under the Freedom of Information Act.

Right to Buy

1. How many council housing units have been sold under the Right to Buy 'additional sales' scheme (i.e. subject to the one-for-one additions policy) since the start of 2012/13?

Reading page 8 of the additional sales scheme document it says that the expected additional sales (following the new legislation) was calculated using the HMT self financing model. Without access to this information, certain assumptions have been made:

Prior to the new legislation the City of Wolverhampton sold 51 properties in the financial year 2010/11 and 60 in 2011/12. Since 1st April 2012 up until 31st March 2017 we sold 997 properties – an average of around 199 properties per financial year.

Therefore it is estimated that the Council is selling approximately 150 extra properties per financial year since the increase of the discount cap.

2. How many council housing units have been 'started on site' or acquired under the one-for-one additions policy as replacements for units sold under the additional sales scheme since the start of 2012/13?

66 properties

It should be noticed that the development of these properties was not necessarily reliant on or as a result of the funding through the one-for-one additions policy.

3. How many council housing units have been sold under the Right to Buy scheme since the start of 2012/13 other than those listed in response to question 1?

An average of 55 properties per year (see question 1 for calculation)

4. How many council housing units have been 'started on site' or acquired since the start of 2012/13 other than those listed in response to question 2?

132 properties (71 properties completed and 61 on site)

5. Please list the postcode and road name for each of the units listed in response to question 1

Please see the answer to question 7.

There is no way to differentiate the Right to Buy made under the 'additional sales' scheme and those not under the scheme/which would have been sold without the scheme in place. As such, all properties sold under the right to buy since 2012 are listed below.
