

## Response to Request for Information

Reference      FOI 001586  
Date            18 October 2017

### ***Frameworks and Tenders***

#### **Request:**

Many council owned and managed properties have pumping stations or off-mains-grid sewage treatment plants. Councils and Local Authorities typically manage these to functional and manufacturer guidelines, which includes periodic **servicing, maintenance, tankering, inspection, new installation, health and safety upgrades, and sourcing of spare parts (the “Relevant Services”)**.

#### **1/ Jurisdiction**

A list of each of the following accompanied by whether selection of the Relevant Services they fall under 1/ a Council tender or framework process, 2/ direct sourcing by the property, 3/ separately managed service

- A. Schools and Colleges.
- B. Care homes and other residential care.
- C. Community buildings, including but not limited to libraries, town halls, council buildings, sports halls and clubs, youth and other community centres.

#### **2/ Tender details**

List of all known frameworks or tenders for any servicing, maintenance, tankering, sampling, installation, and/or inspection in your jurisdiction. This should include:

- A. Relevant area, total number and type of properties.
- B. Primary person or organisation handling the tender or framework.
- C. Contact details of this primary person or organisation.
- D. Steps to be taken to ensure MPC Services will be included in the tender or framework circulation.
- E. Initial expiry date of current tender or framework.
- F. Expected date for opening the next tender or framework period.

#### **3/ Council owned property managers**

List of all known organisations managing council owned properties, whether that organisation is a public or a private entity:

- A. Management organisation name
- B. Commentary on the properties covered
- C. Contact details

[NOT PROTECTIVELY MARKED]

In respect of your above questions, it has been established after careful consideration that the Council does not hold the above information as we don't have any pumping stations or off- mains-grid sewage treatment plants other than ones that are owned and operated by Severn Trent Water. Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".
