Hackney and Private Hire

Request:

This request is made pursuant to the Freedom of Information Act which I seek to exercise.

My request is restricted to the branch of the local borough which simply deals with private hire and Hackney plated motor vehicles (hereinafter plated vehicles). I seek disclosure of documentation (paper and electronic format) confirming what/which companies (not individuals) have plated vehicles with your borough at this moment in time and data relating to the last 2 years. Not only do I seek disclosure of the name of the companies but also details as to the make, model, registration number and cylinder capacity of the said vehicles along with the date which the license for those vehicles began to the date it ended.
