Emails between Alan Bolshaw (Labour) and Wolverhampton Licensing

Request:

I would like all emails between Alan Bolshaw that is a Labour Councillor in Wolverhampton and the licensing Department that mentions Uber (the company)

I do not wish for any emails that may be classed as 'business sensitive' and I am happy for any emails to be redacted should you feel that this action would speed up the requested information.

I am happy for the emails to be from January 2016 to January 2017.... I doubt the time span would make it past the hours required for gaining this information free of charge.

Should the hours be surpassed, then I am happy to accept the information from July 2016 backdated until the hours have been used and request that you include the time line to indicate what hours have been used and upto what date.

[In response to your request, we can confirm that there are no emails between Councillor Alan Bolshaw and Licensing Team that contain any reference to UBER.](#)
