Conversions of Statements of Special Educational Need to EHCPs

Request:

Local authorities are in the process of transferring all children and young people with statements of special educational need (SEN) over to the new SEND system.

I would like to request the following information:

- As of 10th November 2017, how many SEN transfers had yet to be completed in your local authority? [We can confirm that as of 10th November 433 had yet to be completed.](#)
 - o “Completed” here means either that an EHCP is now in place, or that a decision not to produce an EHCP has been communicated to the family.
 - o If you have already collected this information for an earlier cut-off date within the last month (for example, 31st October 2017 rather than 10th November 2017), please use that cut-off date if it is more efficient for you to do so - but in your response, please specify the cut-off date you used.
