Housing Association - Accommodation

Request:

Please can you tell me on how many occasions over the past five years housing associations have turned down a council nomination for a person to be given accommodation because of affordability concerns. Please provide the number of individuals turned down in each year.

If the housing association has stated the affordability concerns stem from the person being subject to the benefit cap or Universal Credit then please make this clear.

Please also list the name of the housing association that has turned down the nomination.

Following reasonable enquiries, it has been established that the Council does not hold the above requested information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Freedom of Information Act 2000 ("The Act"), that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".
