Date            4 January 2018

### ***Agreements for Electricity, Gas and Water***

#### **Request:**

1. Please confirm the name of the organization who implemented/operates your framework agreement for electricity, gas and water.  
[The framework used is provided by Eastern Shires Purchasing Organisation.](#)
2. Please confirm the name of the supplier's appointed to supply electricity, gas and water to sites within your Local Authority area using the framework.  
[The supplier is Total Gas and Power for both electricity and gas.](#)
3. Please confirm the start and end dates of the framework for electricity, gas and water in the below table:

Utility	Current Supplier	Start Date	End Date
Water	<a href="#">Water Plus</a>		
GAS	<a href="#">Total Gas and Power</a>	01-04-16	31-03-19
NHH Electricity	<a href="#">Total Gas and Power</a>	01-10-17	31-09-20
HH Electricity	<a href="#">Total Gas and Power</a>	01-10-17	31-09-20

4. Please confirm the full details of each individual site within your Local Authority area that are supplied electricity and gas through the framework agreement.  
[Please see attached information.](#)
5. Please confirm the termination requirements for a site within your Local Authority area to exit the framework for electricity, gas and water supply contracts.  
[The supplies are in contract until the term of the framework contract has finished.](#)

6. Please confirm the date at which a new site and supply within your Local Authority area must provide notice to be added to the framework.  
[A new supply can be added at any time throughout the year.](#)
7. Please confirm whether the Local Authority receives any form of commission/rebate or any payment from the supplier because a site within your Local Authority area is being supplied electricity or gas through the framework as p/kWh.  
[There is no commission or rebate to the Council from the sites on the contract.](#)
8. Please provide the name and full contact details of the person at the Council who is responsible for the framework agreement for electricity and gas.
