Emergency Planning Processes used at City of Wolverhampton Council

Request:

I am writing to make an open government request for all the information to which I am entitled under the Freedom of Information Act 2000.

Please send me information on:

1.   Within the council, who is the person that is responsible for emergency planning? Neil Rogerson.

2.   What systems does the council use when an emergency occurs? E.g. pen and paper, Excel, a system or another method? Internally developed system called Apprise Incident Management.

3.   If the council uses a software system, which vendor do you use for your emergency planning solution? It has been made by the Council's Resilience Team and an external software developer.

4.   What is the current contract term (how long is it and when does it expire)? Not applicable.

5.   What is the value of said contract? Not applicable.

6.   If the council does not have a software system, will the council be researching the market (with the intention to buy) over the next 12 – 18 months? Not applicable.

      If yes, when will be the council be aiming to purchase the system by?
