New School Buildings

Request:

Please can you supply with the name and email address of the individual responsible for monitoring the procurement of new school buildings within your district. I am not after the person who monitors the procurement of the services required in the schools (stationary, computers, chairs etc) rather the person who is involved with the procurement of the construction or refurbishments works within the district.

The need for education spaces is managed by:

Director of Education
Meredith Teasdale
Meredith.teasdale@wolverhampton.gov.uk

Delivery of schools expansions and developments is managed and monitored by:

Head of Projects and Works
Julie Bell-Barker
Julie Bell-barker@wolverhampton.gov.uk

In addition can you provide me with a list of new schools that have been built in your district since 2000 listing what procurement method was used for each one (PFI, capital investment, design and build, pre-existing framework agreement)
