Payment to Adult Social Care Providers for Sleep Ins

Request:

Following recent rulings confirming that employers must pay NLW for time spent asleep at work when you cannot leave the care premises.

The time period I am interested in is 2018.

Please provide the highest hourly rate / fee paid by the council to a provider for a sleep in and detail the length of the session.

Please provide the lowest hourly rate / fee paid by the council to a provider for a sleep in and detail the length of the session.

Please provide the hourly rate / fee paid via Direct Payments for a sleep in and detail the length of the session.

[In response to your above questions, the sleeping night rate is £84.21. This is for a 9 hour session.](#)
