

Response to Request for Information

Reference FOI 002566
Date 23 July 2018

Non-Registered Providers of Supported Living

Request:

I am writing to request, via FOI, a list of the non-registered providers of supported living for individuals with Learning Disabilities and/or Autism in your area. I have a list of the registered providers from CQC, but require those who have not registered with the CQC.

In respect of your above question, it has been established after careful consideration that the Council does not hold the above information as City of Wolverhampton Council only keeps information on providers who are either on the framework or are providers where social workers have had to spot purchase a service.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".
