

Response to Request for Information

Reference FOI 002586
Date 26 July 2018

Library Information

Request:

I am writing to you under the Freedom of Information Act 2000 to request the following information from your library/libraries.

For the last year

- 1) Which book gets taken out the most?
[Child, Lee – The midnight line](#)
- 2) Which book doesn't get returned?
[This information is not held Books not returned are removed from the catalogue after a given period of time.](#)
- 3) Which book gets checked out the least?
[Your request for information has now been considered and the City of Wolverhampton Council is not obliged to supply the information you requested for the reasons set out below.](#)

[Section 17 of the Freedom of Information Act 2000 requires City of Wolverhampton Council, when refusing to provide such information \(because the information is exempt\) to provide you, the applicant with a notice which:](#)

- [\(a\) states the fact,](#)
- [\(b\) specifies the exemption in question and](#)
- [\(c\) states \(if that would not otherwise be apparent\) why the exemption applies:](#)

[In relation to your particular request, the following exemption applies:](#)

[Section 12 - Exemption where cost of compliance exceeds appropriate limit](#)

[We can confirm that the Council holds information falling within the description specified in your request. However, Section 12 of the Freedom of Information Act 2000 allows a public authority to refuse a request if the cost of providing the information to the applicant would exceed the 'appropriate limit' as defined by the Freedom of Information.](#)

The Regulations provide that the appropriate limit to be applied to requests received by local authorities is £450 (equivalent to 18 hours of work). In estimating the cost of complying with a request for information, an authority can only take into account any reasonable costs incurred in:

- (a) Determining whether it holds the information,*
 - (b) Locating the information, or a document which may contain the information,*
 - (c) Retrieving the information, or a document which may contain the information,*
- and*
- (d) Extracting the information from a document containing it.*

For the purposes of the estimate the costs of performing these activities should be estimated at a rate of £25 per hour.

The information appertaining to your request is not easily accessible and as such this information is not held as a distinct set able to be retrieved or reported on. Over 70,000 items have not been issued in the last 12 months. To get the information would require a full scale look into all individual records. This would be a manual exercise and as such we believe that the aggregated time it would take to collate the information would be in excess of 18 hours (equivalent to a notional cost of £450).

- 4) What is the highest late fee you had to charge and for which book?
£5 maximum fine per item – titles are removed from catalogue after a given period of time so detail on specific books are not held.
