Road works on Stafford Road near to the M54

Request:

Having being held up on the Stafford Road many times in the last few weeks I am lost to understand why all of this work is being carried out at what must be enormous expense. Many of the roads in Wolverhampton are desperate to be resurfaced. When will the Stafford Road works be complete and at what cost?

In response to your request, the City Gateway North works are due to be completed at the end of March 2019, the budget is £6.371m
