

Response to Request for Information

Reference FOI 002715
Date 31 August 2018

Baiting rats

Request:

Could you please provide the following:

How often does Wolverhampton council bait the sewers to kill rats?

In response to your request, we can confirm Environmental Services only treat rats in domestic sewers, where there is evidence of rat activity i.e. holes nests etc; we do not hold information on how often we treat sewers.
