Traffic Wardens

Request:

I am making a formal request under the freedom of information act to request the operational times of traffic wardens in Wolverhampton please. What times do they start & finish?

In response to your request, we can confirm the start and finish times that the Civil Enforcement Officers (CEO) work will vary dependant on demands within the city.

The general hours of deployment are 8:00am to 9:00pm however these times will be adjusted to accommodate the service requirements, i.e. starting earlier to address specific issues, complaints or events. Likewise, CEO's will also patrol later in the evening and on occasions CEO's patrol with the Police into the early hours of the morning, if required.
