### ***Council Waste Contract with MES Environmental (EfW facility)***

#### **Request:**

Looking at the waste collection and disposal contracts held by local councils across the UK, on your website you note that a large quantity of your waste is converted to energy by the EfW facility run by MES Environment, however I can find no information regarding the contractual arrangement that the council has with this organisation. Are you able to help me with this?

Specifically, I need the:

#### Contract value

The Council's total annual spend on all waste disposal streams, which includes the EfW, is circa £11,300,000.

#### Start and end dates

The contract start date for the EfW is 8<sup>th</sup> February 1996  
The contract end date for the EfW is 10<sup>th</sup> February 2023
