

CITY OF  
WOLVERHAMPTON  
COUNCIL

## Response to Request for Information

Reference      FOI 002980  
Date            19 November 2018

### *Pedestrian Crossings*

#### **Request:**

I am looking into finding out about the location of pedestrian crossings in Wolverhampton Council. Please could you provide me with the following:

- 1) A list of all the different pedestrian crossings within Wolverhampton Council boundaries. Including the location of all formal crossings: Zebra, Toucan, Pegasus, Staggered Pelican/Puffin and Toucan crossings.  
[Please see attached information provided on page 3.](#)
- 2) Information on the type of tactile paving used at each site.  
[In response to question 2\), Section 1 of the Freedom of Information Act 2000 places two duties on public authorities. Unless exemptions apply, the first duty at:](#)
  - [Section 1\(1\) \(a\) is to confirm or deny whether the information specified in a request is held.](#)
  - [The second duty at Section 1\(1\)\(b\) is to disclose information that has been confirmed as being held.](#)

[In respect of question 3, it has been established after careful consideration that the Council does not hold the above information.](#)

[Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1\(1\) \(a\) of the Act, that states:](#)

["Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".](#)

[However, we can provide you with information relating to whether tactile indicators are fitted which we hope you will find useful which can be found on page 4.](#)

- 3) A list of all lowered kerbs in the Wolverhampton Council district. Showing the location of each and paying particular attention to the ones intended for use as pedestrian crossing points.

In response to question 3), Section 1 of the Freedom of Information Act 2000 places two duties on public authorities. Unless exemptions apply, the first duty at:

- Section 1(1) (a) is to confirm or deny whether the information specified in a request is held.
- The second duty at Section 1(1)(b) is to disclose information that has been confirmed as being held.

In respect of question 3, it has been established after careful consideration that the Council does not hold the above information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Act, that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

- 4) The above would ideally include the use of the Geocoordinate system information of each site, but also the street name and location.
