

Response to Request for Information

Reference FOI 011611
Date 05 January 2016

School Cluster Groups

Request:

I would like to make a request under the freedom of information act to obtain information regarding school cluster groups and/or federations of schools within the local authority. I would like the following information please:

- Number of cluster's and or federations in the authority.
- Which schools are in each cluster/federation.
- The name of the cluster or federation lead and the name of the school in which they work.

Following reasonable enquiries, it has been established that the Council does not hold the above requested information.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Freedom of Information Act 2000 ("The Act"), that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

To advise and assist you further, the local authority no longer hold up to date information on clusters of schools and their leads – schools would need to be contacted individually for this information. For ease of reference I have provided you with a link below:
