Procurement Policy

Request:

I would be grateful if you could provide the following information with regard to your IT estate and IT procurement:

·   Do you have a procurement policy which supports the use of the GCloud IT procurement framework?
    The Council does not have an IT specific procurement policy.

·   Has your organisation adopted a strategy or IT policy guidance for using cloud computing (cloud infrastructure), not software as a service?
    No

·   How many data centres do you have on council premises (secure processing centres which host shared systems)?
    We have 2 datacentres, however we don't have shared services.

·   How many third party data centres do you use?
    None.

·   Do you use cloud hosting for your data (public or private cloud)?
    We are not using this service at present.

·   Expressed in percentage terms, approximately what proportion of your data is held on premise / in third party data centres / in the cloud?
    At present 100%
