Health and Social Contract Register

Request:

We are currently doing some research around health and social care and require information that relates to the organisation's live contracts around health and social care which could include Adult Services and Children Services.

Can you please provide me the full version of your contracts register (Excel) that lists all the contract the organisation has around health and social care?

I can confirm that Wolverhampton City Council holds this information. The information you have requested is exempt under Section 21 of the Freedom of Information Act (FOIA), because the information is accessible to you, as it is already in the public domain. Please see link supplied below:
